“A Rhythm All Its Own”

Discover an island escape within an island paradise

The resort sits majestically on an enchanting island within an island paradise. After a short, relaxing boat ride, a Victorian-inspired dock greets your arrival and, after disembarking, you stroll up toward an opening in the lush palm grove swaying in concert with the salt-tinged breeze pushing you inland. Guests are welcomed by their personal ambassador and the staff, the lilt of the local accent and the subtle beat of merengue drifting through the courtyard, inviting participation.

At Cayo Levantado Resort, they are dedicated to offering an expertly curated, distinctly Dominican, and decidedly authentic experience. Local culture and lifestyle, sustainability and the care of mind, body and soul are the main inspiration of every corner of this brand-new, upscale five-star 24-hour all-inclusive resort, as well as its superior amenities and gastronomy. All aspects work seamlessly to elevate
